**REQUEST TO WITHDRAW INCORRECT NOTICE OF ABANDONMENT AND
ALTERNATIVE CONDITION TO REVIVE**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On May 13, 2004, it came to the attention of my office that a Notice of Abandonment was entered in this application. According to the U.S. Patent and Trademark Office (USPTO) this application became abandoned because applicant allegedly failed to submit papers in response to Notice of Missing Parts on November 22, 2002.

That is not correct.

In fact, the missing parts papers were timely filed with the USPTO on January 14, 2003. A copy of the papers and a copy of the return receipt postcard, as evidence of receipt of these papers by the USPTO, are appended hereto as Exhibits A and B respectively.

Under these circumstances, the understand learned of this abandonment, as set forth above, only days ago. The notice of abandonment was not received by the undersigned at his former law firm, Burns Doane Swecker and Mathis, LLP. A detailed explanation of the delay in discovering the abandoned status is appended hereto as Exhibit C.

Since applicant did satisfy all of the outstanding requirements, it is respectfully submitted that the notice of abandonment should not have been sent.

IN THE EVENT THAT IT IS DETERMINED THAT A PETITION TO REVIVE IS NECESSARY, although that condition is respectfully disagreed with, please consider this paper to be a petition to revive this application as unintentionally abandoned. All delays in filing of this paper were unintentional and inadvertent. Please charge any fees for such petition to **Deposit Account No. 50-0872**. It is believed however that this application should be revived without necessity of this petition in view of the full response previously filed.

Respectfully submitted,

Date 5/25/04
